

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 C.F.R. § 1.312 is respectfully requested since it does not add any new matter. More specifically, claims 1, 25 and 26 have been amended to correct an error which was discovered by the applicants' attorney during a post-allowance review of the claims. The attorney has been diligent in correcting these informalities. The changes to claims 1, 25 and 26 are appropriate because there was no prior recited "direction-of-view evaluation module." These changes provide proper antecedent basis.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
